

GASP, Pittsburgh, PA, U.S.A.

The [Gaming Association of Southwestern Pennsylvania](#) [1] was founded in 1999 and is centered in Pittsburgh, PA. and is gaming in all its forms and experience.

We meet as a group once per month for a gaming day, but some of our members meet on a more frequent basis, for either established campaigns or single, pick-up style events. Some members can not make any definite time commitment, and that's fine too. GASP was founded as a way for gamers to meet and socialize, not spend all their free time gaming. Whatever time you put into GASP is solely up to you.

Apart from regular gaming days, GASP also offers [a players forum](#) [2], runs an annual convention (GASPcon), and a ['silent auction'](#) [3].
