

# Captain Carrot: A Marvel SH Character

by Belinda Lee

Captain Carrot is a mutant angel, a cupid-like figure complete with bow-and-arrow. Being an otherworldly being, Captain Carrot has the capacity to travel between dimensions and as a creature of light, the Captain is protected from attacks from the shadow, and so forth.

However Captain Carrot also takes the appearance of a slightly humanoid rabbit. A favoured strategy is to appeal to the better side of others by making use of their Cuteness Control, as a cute little bunny, which can melt the heart of the most hardened villains.

Also of note is Captain Carrot's unexpected high Strength. Who knew that such a little bunny could pack such a kick?
